

🎙️ Broadcast Boot Camp: Empowering Youth Through Radio & Podcasting! 🎙️

Jump headfirst into the world of media! Whether you dream of becoming a news anchor, radio host, or YouTube star, acquire the basic skills of broadcasting in a creative, fun, and exciting way. Through hands-on activities, learn how to use a microphone, speak clearly, tell great stories, conduct compelling interviews, edit, mix music, and present confidently behind the microphone. At the end of the class, show off your newfound skills by creating your very own show or podcast and sharing it online for your family and friends to enjoy.

Why Join?

- **Boost Self-Esteem & Confidence:** Engage in a creative and educational experience that keeps youth involved and off the streets.
- **Develop Essential Skills:** Learn vital life skills such as verbal communication, storytelling and self-expression.
- **Showcase Your Talent:** At the end of the program, participants will collaborate to produce a radio show podcast featured on RADIOFREEDETROIT.ORG.

Partner Organizations Include:

- * Schools
- * Summer Camps
- * Libraries
- * Community Centers
- * Afterschool Programs
- * Recreation & Education Programs
- * Youth Organizations

Flexible & Tailored:

We customize the program to fit your organization's timeframe, age group and needs.

A nominal fee is required, depending on student enrollment and session details.

All necessary equipment is provided; organizations should ensure internet access, electricity, tables, chairs and support staff.

Broadcast Boot Camp is available for organizations with multiple sites and locations.
